## Coaches Code of Conduct

Coach's expectations and attitudes have a significant bearing on a child's attitude towards:

- Other Players
- Referees
- Managers
- Spectators

This club will ensure that coaches within the club are always positive and encouraging towards all of the players and will encourage coaches to:

- Not force an unwilling child to participate in sports.
- Remember children are involved in organized sports for their enjoyment, not yours.
- Encourage all players to play by the rules.
- Teach the players that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
- Turn defeat to victory by helping the players work towards skill improvement and good sportsmanship. Never ridicule or yell at a player for making a mistake or losing a competition.
- Remember that children learn best by example. Applaud good plays by your team and by members of the opposing team.
- Do not publicly question the officials' judgment and never their honesty.
- Support all efforts to remove verbal and physical abuse from children's sporting activity.
- Recognize the value and importance of being a positive role model

At Milton Magic FC we honor and respect the Rule of Two in our Coaching ethics – to protect all our athletes and coaches in at risk circumstances by guaranteeing more than one adult is present.
