Player Well-Being Policy

The Milton Magic FC (MYSC) provides a safe environment for all our players – both on and off the field – and demands everyone is treated fairly and with respect. We adhere to player/coach ratios that are in line with Ontario Soccer guidelines, and we ensure no player is ever left alone without proper supervision, whether it is before, during or after a session. Below is a list of important Player Well Being resources that can be found on our website:
